

## **Creative Leadership Skills**

Course code: MGMT 3030

Total contact hours: 48 hours

Pre-requisite: None

### **Course Overview**

The class aims to develop personal creativity and its uses for leadership and communication and the understanding of different leadership theories to become better leaders and interact and manage with different groups.

This course is designed to give students the concepts and tools to understand the art of creativity and leadership; for better communication, social interaction, and personal development.

The course will explore concepts such as human behavior, leadership, creativity, and students propose ideas through assignments to attain the class's objectives.

Creative Leadership Skills is a class from the Center of International Programs at Universidad Veritas. It is an elective class and does not have requisites.
