

Advanced Conversational Spanish

Course code: SPN 310

Total contact hours: 60 hours

Pre-requisite: SPN 301, Advanced I

Course Overview

In this course students will develop an advanced level of mastery of understanding and oral language communication. At the same time, they will be able to express ideas and opinions by using elaborate structures allowing them to connect orally with diverse interlocutors with precision, ease and confidence.

In addition, students will participate in conversations on various topics making contributions that will reflect their knowledge and mastery of the Spanish language.

This is a theoretical-practical course and explores/answers the following question: *How to produce effective, fluent and precise oral communication in an elaborate and natural in a specific sociocultural context and also reacts to various situations where communicative interaction in Spanish is necessary?*

To answer this question, the following generative topics will be studied:

- Express tastes and interests.
- Formulate hypotheses.
- Express feelings, give opinions and value.
- Expresses agreement or disagreement on a topic.
- Describes people, places and things.
- Narrate memories, anecdotes and personal experiences.
- Makes predictions.
- Talk about desires and expectations.
- Compare
